What is the London Food Coalition?

London Food Coalition (LFC) aims to strengthen food security in London by redistributing food from grocery stores, farmers and restaurants to the London community.

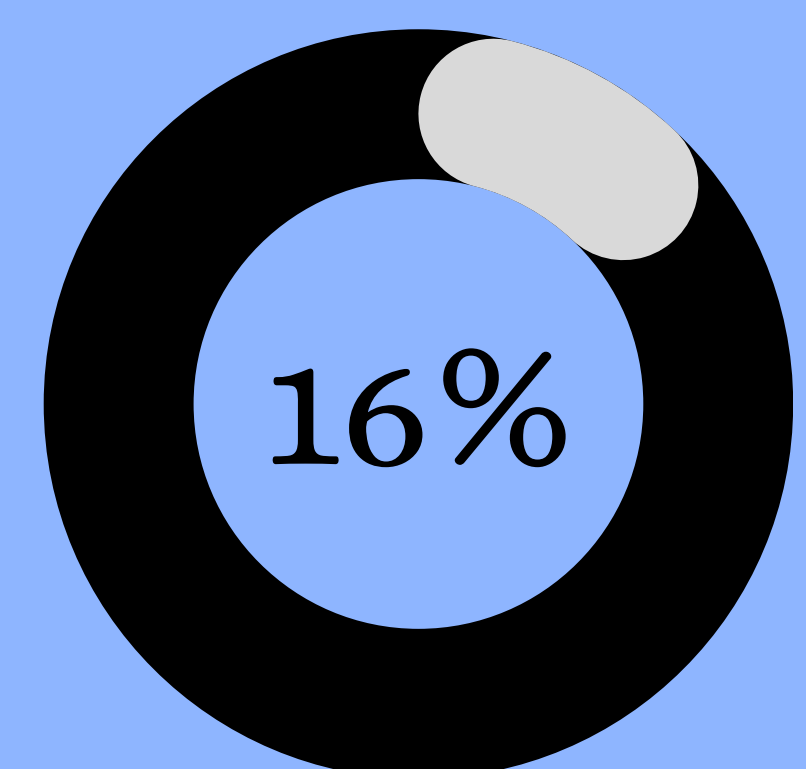

Insecure or inadequate access to food due to financial constraints. Food insecurity can have serious impacts on one's social, mental and physical health.

In 2020, approx. 1 in 5 households in Middlesex-London were food insecure

Food insecurity has been **rising**, especially with the recent cost of inflation.

Amount of Canadian Households classified as food insecure in 2021
