

## London Food Coalition

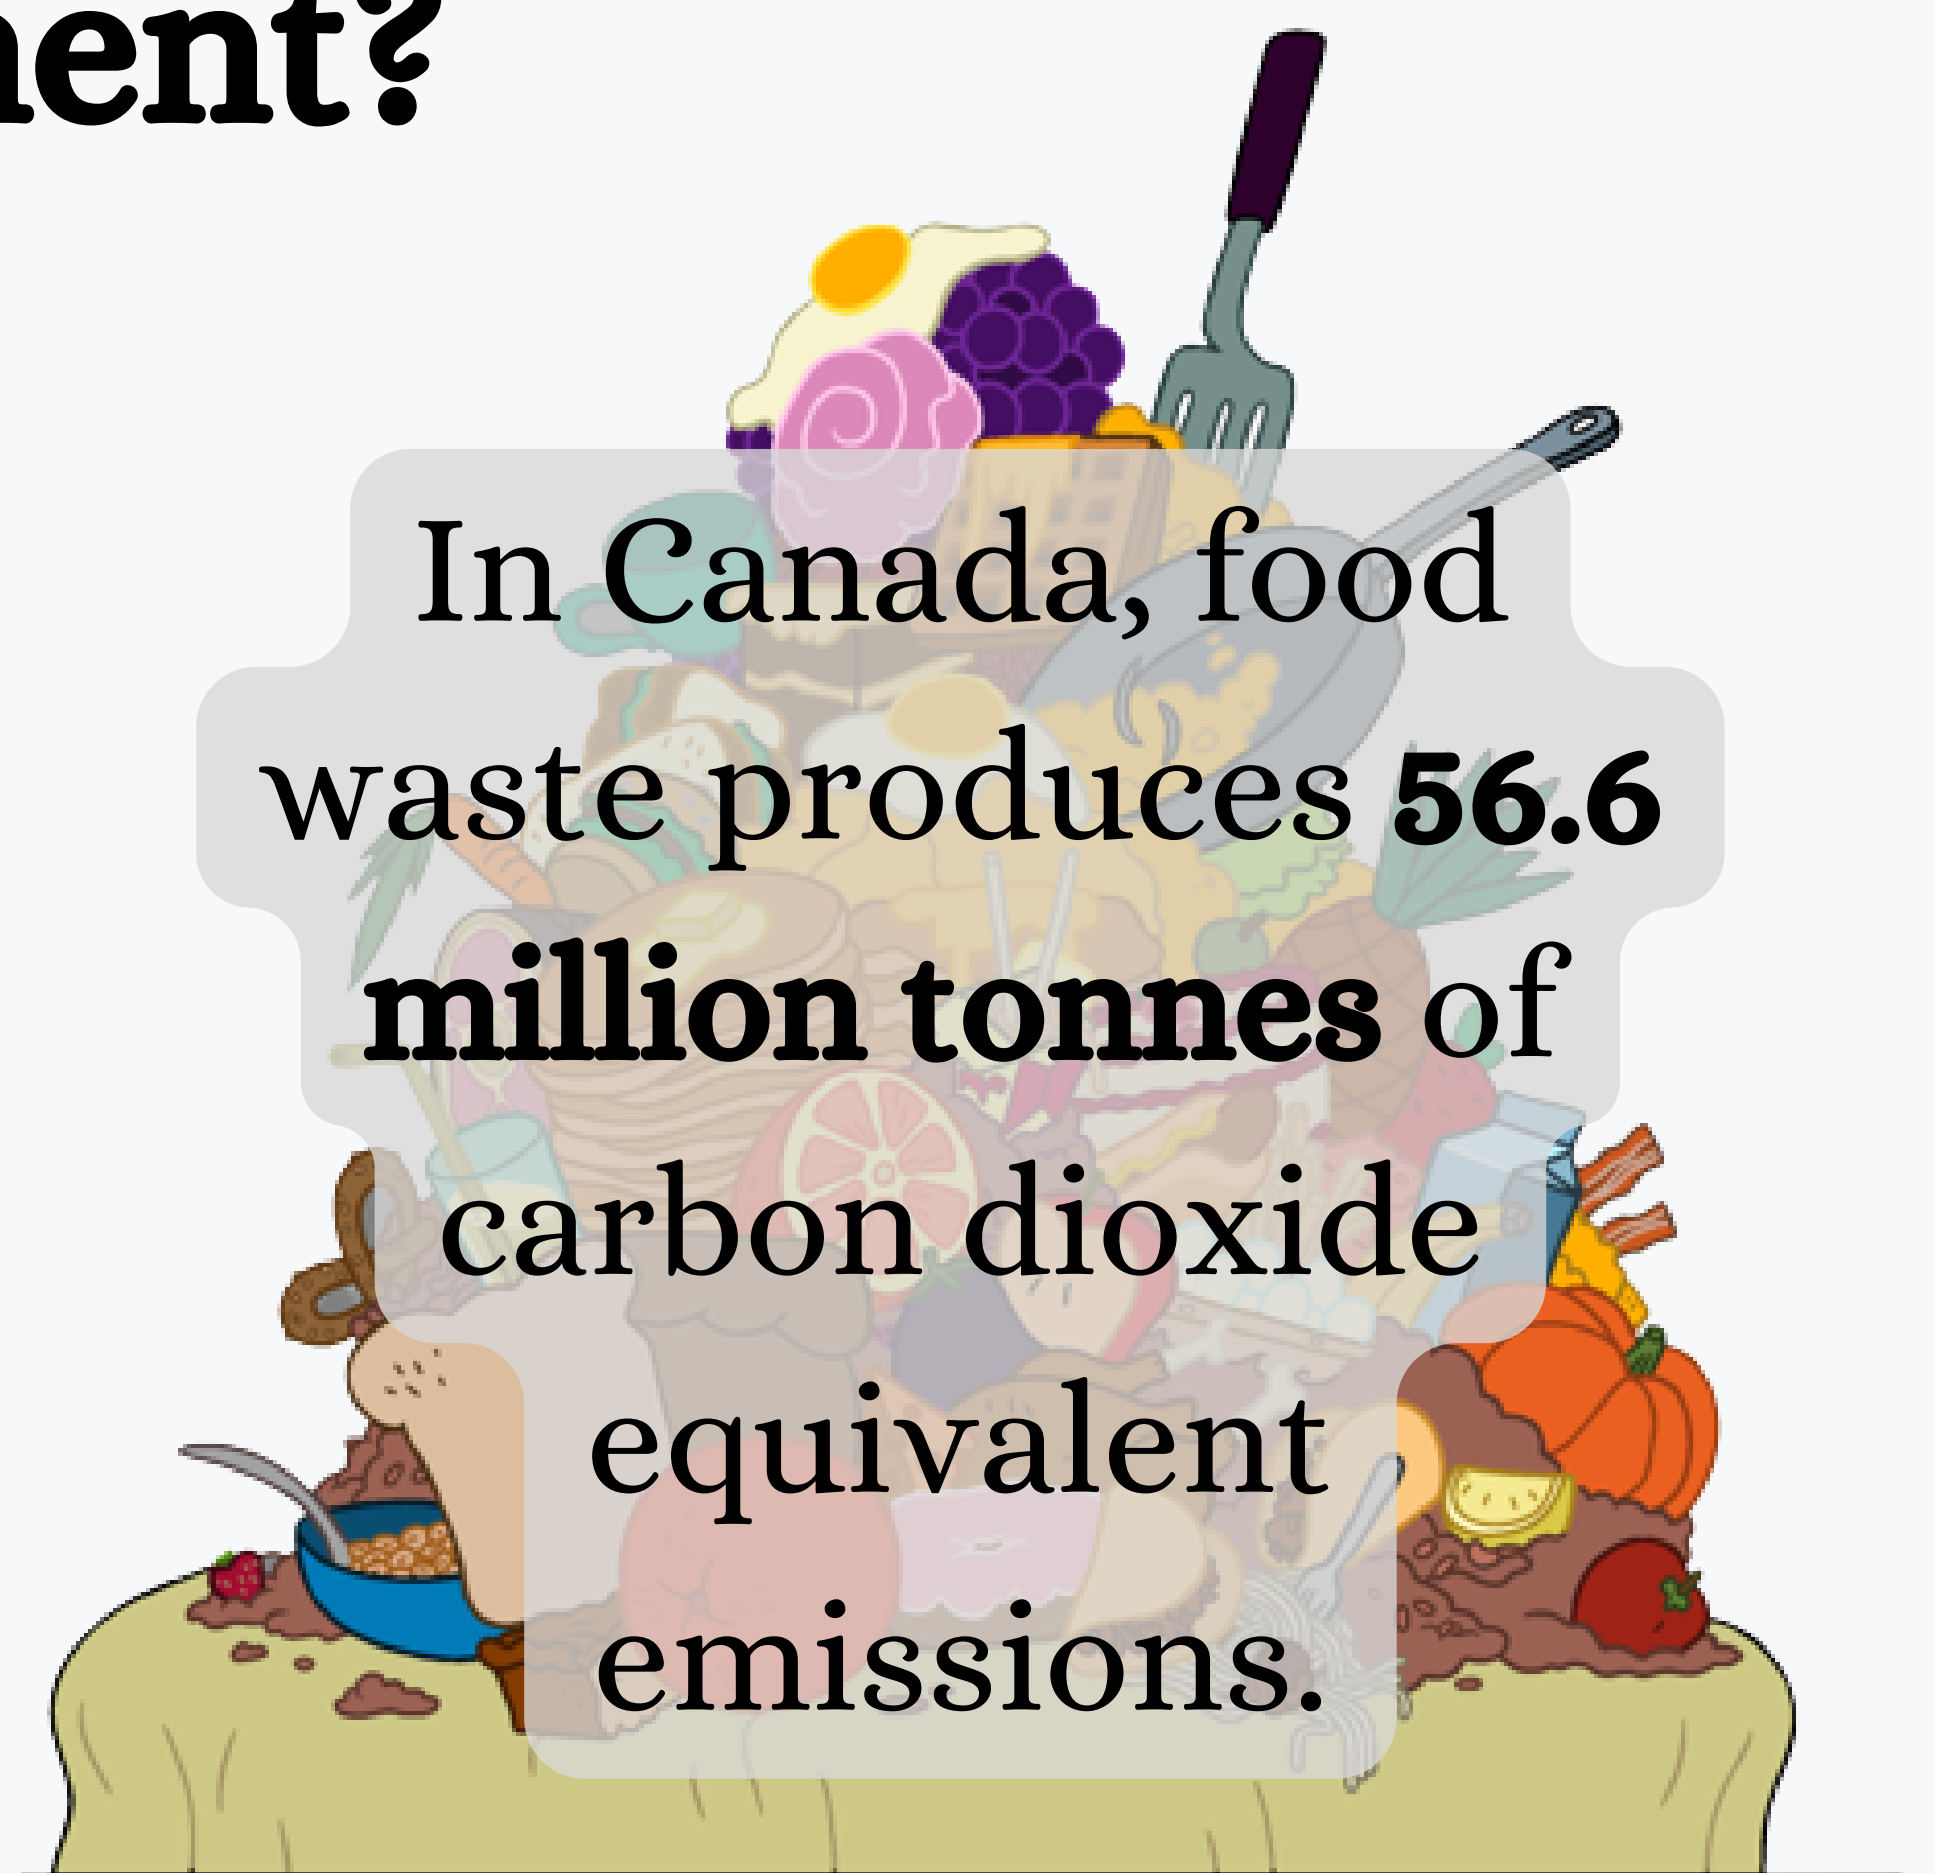

Rescue, Recover, Redistribute  
[www.LondonFoodCoalition.com](http://www.LondonFoodCoalition.com)

# What is the London Food Coalition?

London Food Coalition (LFC) aims to reduce food waste in London by redistributing excess food from grocery stores, farmers and restaurants to London community programs.

# How does food waste impact the environment?

Food waste in landfills produces methane gas which is

**25x**

more damaging to the environment than carbon dioxide.
